OUR MISSION: "TO CONSISTENTLY PROVIDE QUALITY & AFFORDABLE FASHION TO AFRICA"

WHAT WE DO

We buy & sell high fashion on trend stock from local and international sources supplying Africa with well priced affordable fashion.

ABOUT US

When it comes to stock clothing, shoes, and accessories, there is no company in the industry that compares to our level of expertise, professionalism, and selection of quality well priced on trend fashion

WHY CHOOSE US?

EXPERIENCE - For over 25 years we have mastered every aspect of the clothing industry including supply, freight, duty, grading, sorting, & documentation all specifically for clothing, shoes & accessories.

TRUST - Decades of thriving long term relationships with our suppliers and buyers.

VOLUME - Africa's largest importer of excess fashion, processing over 20 containers monthly

VARIETY & ASSORTMENT - Being well connected with so many suppliers to African chainstore business together with our knowledge of the latest brands and trends in fashion, we always have the very latest and the widest variety and assortment of stock available.

QUALITY - With thorough inspection, we do the dirty work for you by removing un-wearable and un-repairable items from our mixes, allowing the lowest percentage possible of irregulars-damages to ensure the cleanest and best product for every market.

BRANDS - All of our merchandise is sourced from suppliers of national and international brands.

SUPPLY & INVENTORY - We are always purchasing stock so our stock lists are updated regularly ensuring on the floor ready to go inventory at any given time

FRIENDLY - our team is ready and waiting to process your stock purchase in a friendly, honest and efficient manner
